- What is the BürgerForum Europa?
  - **What is so special about this online-dialogue?**
  - Lessons learned
-

- Main Challenges:
    - **1. Involving 350 people, of a random sample from diverse socio-cultural backgrounds in an 10 week online-discussion**
-

- Main Challenges:
    - 1. Involving 350 people, of a random sample from diverse socio-cultural backgrounds in an 10 week online-discussion
    - **2. Coming close to the ideal of deliberation and producing a normative, political text in a collaborative way**
-

■ Main Challenges:

- 1. Involving 350 people, of a random sample from diverse socio-cultural backgrounds in an 10 week online-discussion
  - 2. Coming close to the ideal of deliberation and producing a normative, political text in a collaborative way
  - **3. Getting the message out to the general public**
